

PA DAY

September 27

Throughout the upcoming school year, we will be providing families with more information about how KPR staff are learning and working together on Professional Activity (PA) Days to support students' success.

The September 27 Professional Activity (PA) Day will focus on the following areas:

- Literacy in Elementary and Secondary Schools
- Numeracy (Math) in Elementary Schools
- Secondary School Code of Conduct, and
- School Improvement Planning.

Further details on plans for the day can be found here:
